Outside the estate the major theme parks are just a 10 to 35 minute drive away with the local shops, restaurants & supermarket (Wal-Mart) less than 5 minutes. Florida's beautiful white sandy beaches on the West Coast are just 90 minutes away & Daytona, for the surfers, 2 hours to the East along I4.

A few miles to the North along HW27 is Lake Louisa State Park which offers fishing, boating or just a leisurely stroll in the sun.

Golfers take your pick from the many local courses. Beginner or seasoned pro, there is something for everyone. 10 minutes away is the Orange Lake Golf & Country Club with its course designed by Arnold Palmer.

We have a no smoking policy

This is not only our rule but it is a state law in Florida. In addition pets are not allowed.
